

# CHIPPENHAM 2019 HALF MARATHON

SUNDAY 8<sup>TH</sup>  
SEPTEMBER 2019

For the very first time Chippenham Half Marathon is offering corporate team places. Chippenham and the surrounding areas has a vibrant & enterprising business community. We would like to welcome businesses to join the thousands of other runners and supporters to join what will be a well organised, fun, challenging and successful day.

The Chippenham Half Corporate Challenge is an ideal fundraising opportunity where we encourage entrants to raise money for their elected charities.

You can promote **TEAMWORK** across departments, **COMPETITION** between businesses, and **FITNESS** within the workplace.

200 places in the half marathon are specifically reserved for entrants representing business teams competing for what will be the coveted Chippenham Half Corporate Challenge!

## CORPORATE TEAM CHALLENGE

## What makes up a team?

Teams are a minimum of 4 people, at least 4 members of your team must complete the Chippenham Half Marathon route for you to record a result. The maximum number per team is 8 (adults only 16+).

Teams may be mixed or single sex.

Businesses can pre-purchase their team entries (minimum of 4 race entries) and have until 1st August 2019 to register their team members.

Guest runners are welcome - invite your clients, suppliers, friends and family.

## How we will calculate the winning teams?

Your team's score will be calculated as the total of the chip times of the fastest four members running the half marathon. All other team members' times will be excluded, so that all teams can be fairly compared no matter the size of the team.

Every team is asked to nominate a team captain who organises the initial entry and payment of the entry fee. They will be sent an entry email form so that each person can enter their specific details.
